

Board of Selectmen
Pre-Fall Town Meeting
Tuesday, September 8, 2014

A meeting of the Board of Selectmen was held at 6:30pm in the Middle School Library on Tuesday, September 8, 2014. Present were five selectpersons, Town Counsel, D. Klein, the Town Moderator, the Town Administrator and the Asst. Town Administrator.

6:35 pm called to order.

Article J -Easement: The Town Administrator said the easement regarding the overhanging garage is a permanent easement. If the garage falls down; the town may not want to continue the easement. Atty. Klein said we could ask for a permanent easement, and make it temporary, but if the vote is for a temporary easement then it cannot be made permanent. Since no motion has been made, the original motion could be changed. The decision is to amend the original motion.

Article L - Fluoride: We should explain to voters, "if you vote yes it can go to the ballot, if the vote is no, it doesn't go to the ballot".

A yes vote will tell us that we should revisit this issue.

If it passes, the Board of Selectmen will hold public meetings before it makes its final vote on this topic.

Selectperson Lucas has written a personal position statement, not from her role on the Board of Selectmen.

Chairperson Wilkinson will make a statement and add that the Board of Selectmen hasn't deliberated about this because they wanted to hear from the voters.

At 7pm the members of the Board of Selectmen moved to FTM.
